

PPE Lab Gear Up Instructions

On your bench you will find a deck of scenario cards, a master game board and an envelope containing game pieces.

1. Shuffle your deck of scenario cards and select one at random.
2. Remove the game pieces from the envelope.
3. Assign the appropriate game pieces to the master game board to complete the scenario.
4. Add prohibited items (items that should not be used in this scenario) to the prohibited items box on the master game board.
5. Check your answers with a staff member.
6. Return scenario card to the bottom of the deck and select another scenario card.
7. Repeat steps 3-6.
8. Once completed, return all game pieces to the envelope and return the scenario cards to the deck.
