Continuing your professional development

There is a wealth of information, much of which is freely available, for colleagues to support their continued professional development. However locating targeted resources to meet a specific need can be difficult and time consuming.

Within this section of the repository we welcome contributions that support colleagues continued professional development, whether that be to develop their pedagogical practice, or to prepare for personal development opportunities, applications and accreditation such as Fellowship.

Welcoming contributions that support colleagues continued professional development:

- Webinar style recordings
- Presentations e.g. Power Point
- Short think pieces or personal reflections on practice
- Group or institutional approaches
- Exemplar resources which may links to active twitter posts, blog posts and websites

Getting started

Uploading your work is really very simple. It doesn't take hours to set up an account and you can add any type of file.

View our **Quick Guide for Authors**, our **Submit!** page or our **'How to add items' video**.

You can also visit our Getting Started pages or Figshare FAQ's for further support are available. Here are some things to consider before you begin to upload:

- Is your work compliant with current accessibility legislation?
- Which category, group, sub-group or add key words will you add to help others to locate your work.
- Create a Figshare Profile and link it to your social media accounts and ORCID ID to maximise the visibility and impact of your work.
